Questions and Answer:

Question: How big are the pouches ?
Answer:You could fit 3 12oz cans in each or 2 reg water bottles with extra room.

Question:How much fits in each pocket? Would 2 regular size water bottles fit on either side?
Answer:Yes, but I find it better to use water pouches.

Question:Would this fit a 40lb queensland heeler?
Answer: Fits my lab/collie mix and he's about 50lbs. Straps are so long I cut them down and burned the ends. Holds enough supplies for a 3-4 day backpacking trip
