Q & A

Question: How durable is it? Thank you

Answer: Very durable. I not only use it in the cold weather for my dog but I also use it as a rain coat for him. I've had it over a year and it looks and feels brand new. I highly recommend this jacket.

Question: Does this coat work with a harness?

Answer: Yes, if the leash clips in the back there is a zipper part you can open. If it is a front clipping harness it would be a little more clumsy.

Question: What is the exterior material ?

Answer: Nylon ripstop.

★★★★★ Well thought out jacket

Jacket is great in the rain. This is not their warmest jacket. On cold days we layer with an under fleece coat. Water sheds easily from this jacket. The North Country jacket has a nice open zipper area on the back for dog harness. This jacket is designed for three season use.

★★★★★ XL is PERFECT for my 90lb GOLDEN RETRIEVER who's long and deep chested

January 13, 2018

Size: XL | Color: Black | **Verified Purchase**

My golden retriever spends many hours a days outside. Unlike her son, she has thin fur and not a lot of it. I love the way this fits her, across the chest, around the collar, the length of the back, and the adjustable sides. It's light weight, water/wind resistant, and fleece lined. I look forward to seeing how it holds up. Also, because she's an old girl, we layered it with a different fleece lined coat on top that fits like a blanket and covers different parts. Between the two, I think she'll stay warm!

★★★★★ Great dog jacket

March 13, 2018

Size: L | Color: Black | **Verified Purchase**

Great dog jacket. Keeps my dog very warm in cold Chicago winters and is waterproof on the outside which is a huge plus in the snow!! I love that it clips on both sides rather than Velcro because I don't have to worry about it getting wet and coming undone. Highly recommend!
